The screenshot shows the Zealous website interface. At the top, there is a navigation bar with 'ZEALOUS' on the left, 'Take Submissions', 'Make Submissions', 'Explore', and 'About us' in the center, and 'Log in' and 'Sign up' on the right. The main content area features a large 'GO AWARDS' logo on the left. To the right, it says 'presents Best Net Zero Initiative Award - GO Awards Scotland 2024/25' and 'closes in 85 days'. Below this, there is a 'from FREE' label and an 'Apply Now' button. The page also includes social media icons (Facebook, Twitter, LinkedIn) on the right side. The main text describes the award's purpose: 'The public sector and its supply chain will play a major role in achieving the Scottish Government's ambition of a Net Zero Economy by 2045, and the UK Government's target of 2050. This Award recognises those organisations that are leading the way in addressing climate change through their procurement activity and the many suppliers who also contribute to achieving success in this area.' It also mentions that initiatives can cover all types of activity, such as sustainable construction, alternative fuel sources, and innovations that reduce carbon footprint. The award is open to Scottish public sector organisations and private/voluntary organisations from within or outside Scotland with documented support from a sponsoring authority.
